Beggars Ride Nancy Kress

In this final installment of Nancy Kress's award-winning Beggars trilogy, it is now 200 years in the future. Regular human beings hate and fear the Sleepless and the SuperSleepless, genetically-modified humans who are immune to disease and hunger and who do not need to sleep. When the Sleepless plot to take over the world and leave regular humans powerless, civilization and the very meaning of the word "human" hang in the balance.
