## **Magic Made in Mexico: Live Your Dream . . . in Mexico** Joanna van der Gracht de Rosado

A step-by-step guide on how to successfully adapt to the cultural differences of living in Mexico, rather than a nuts-and-bolts book about moving there, the information offered here will help any new or would-be expat or snowbird avoid the inevitable pitfalls of living in a foreign country. The book begins with the author's own story of immersion and then is given over to invaluable advice presented in an A-to-Z format that takes the culture shock out of moving to Mexico so it can be enjoyed without frustration. Information on topics such as communication, driving, family, love, and work is followed by a brief history of the country, and for entrepreneurs, a short chapter on how the author and her husband started their own successful business in Mexico.
