From Book 1: The prom countdown has begun.

Daisy Crispin has 196 days to find the right date for the prom. There's only one problem--her parents won't let her date or even talk to a guy on the phone. Oh, and she's totally invisible at school, wears lame homemade clothes, and possesses no social skills. Okay, so maybe there's more than one problem.

Can she talk her parents into letting her go to the prom? Or will they succeed at their obvious attempts to completely ruin her life?

Perfectly Dateless is hilarious, shocking, and totally real. You'll fall in love with Daisy's sharp wit and resourcefulness as she navigates the world of boys, fashion, family, and friendship.

"Billerbeck hits a home run with this warm tale about Daisy Crispin's funny trials and tribulations as she lives with eccentric parents, prom stress, and a desire to just be a normal teen."--Jenny B. Jones, award-winning author of *Just Between You and Me* and *A Charmed Life* series

"With her brand of wit and insight, Billerbeck takes us into the life of Daisy Crispin as she aims for the perfect prom date. This story reminds us that even a geek can live out her Cinderella dreams."--Rachel Hauck, coauthor of *The Sweet By and By*

Kristin Billerbeck is the bestselling, award-winning author of several novels, including *What a Girl Wants*. She lives with her family in northern California.
