The Complete Kayak Fisherman Ric Burnley

A revolutionary technique is taking hold on anglers everywhere: kayak fishing. Kayaks get fishermen virtually anywhere in a craft that's inexpensive, almost maintenance-free, completely mobile and fully rigged for fishing. Previously unreachable waters are now able to be fished--and the results are spectacular.

Here is a thorough guide to this new breed of angling, for both fresh and saltwater fishermen. Choosing a kayak, outfitting with rod-holders and electronics, storage, anchoring systems, safety and more--plus techniques for pursuing a wide range of species from a kayak--are all covered in this book.
